Call for Participation

We invite you to join us in 3\textsuperscript{rd} International conference on Big Data, Machine learning and Applications (BIGML 2022)

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Big data and Machine Learning. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

**Highlights of BIGML 2022 include:**

- 10\textsuperscript{th} International Conference on Artificial Intelligence, Soft Computing (AISC 2022)
- 12\textsuperscript{th} International Conference on Computer Science and Information Technology (CCSIT 2022)
- 10\textsuperscript{th} International Conference on Signal, Image Processing and Pattern Recognition (SIPP 2022)
- 11\textsuperscript{th} International Conference on Parallel, Distributed Computing Technologies and Applications (PDCTA 2022)
- 7\textsuperscript{th} International Conference on Software Engineering (SOEN 2022)
- 7\textsuperscript{th} International Conference on Networks, Communications, Wireless and Mobile Computing (NCWMC 2022)
- 7\textsuperscript{th} International Conference on Data Mining & Knowledge Management (DaKM 2022)
- 3\textsuperscript{rd} International Conference on Natural Language Processing and Computational Linguistics (NLPCL 2022)
- 3\textsuperscript{rd} International Conference on Integrating Technology in Education (ITE 2022)
