Call for Participation

We invite you to join us in 7th International Conference on Data Mining & Knowledge Management (DaKM 2022)

This conference will provide a forum for researchers who address this issue and to present their work in a peer-reviewed forum. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the following areas, but are not limited to these topics only.

Highlights of DaKM 2022 include:

- 10th International Conference on Artificial Intelligence, Soft Computing (AISC 2022)
- 12th International Conference on Computer Science and Information Technology (CCSIT 2022)
- 10th International Conference on Signal, Image Processing and Pattern Recognition (SIPP 2022)
- 11th International Conference on Parallel, Distributed Computing Technologies and Applications (PDCTA 2022)
- 7th International Conference on Software Engineering (SOEN 2022)
- 7th International Conference on Networks, Communications, Wireless and Mobile Computing (NCWMC 2022)
- 3rd International Conference on Natural Language Processing and Computational Linguistics (NLPCL 2022)
