Call for Participation

We invite you to join us in 7th International Conference on Software Engineering (SOEN 2022)

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Software Engineering and Applications. The goal of this Conference is to bring together researchers and practitioners from academia and industry to focus on understanding Modern software engineering concepts and establishing new collaborations in these areas.

Highlights of SOEN 2022 include:

- 10th International Conference on Artificial Intelligence, Soft Computing (AISC 2022)
- 10th International Conference on Signal, Image Processing and Pattern Recognition (SIPP 2022)
- 11th International Conference on Parallel, Distributed Computing Technologies and Applications (PDCTA 2022)
- 12th International Conference on Computer Science and Information Technology (CCSIT 2022)
- 7th International Conference on Networks, Communications, Wireless and Mobile Computing (NCWMC 2022)
- 7th International Conference on Data Mining & Knowledge Management (DaKM 2022)
- 3rd International Conference on Natural Language Processing and Computational Linguistics (NLPCL 2022)
- 3rd International conference on Big Data, Machine learning and Applications (BIGML 2022)
- 3rd International Conference on Integrating Technology in Education (ITE 2022)
